

INTER-CLUB COUNCIL 2024-25 GOALS

1. The ICC will be more involved with students and keep students and clubs as the main focus.
 - a. Munoz will create slideshow template to collect club information for SLL to create flyers for each club who are interested in being featured as “Club of the Week” on campus TV’s, A-frames, and Inter-club council Instagram account and TikTok.
 - b. McKinnell will share club events and activity flyers at SAN.
2. The ICC will encourage clubs to better represent a wide range of interests for people.
 - a. The ICC Full Council will identify club members’ interests to identify potential opportunities for new clubs, and collaboration opportunities between existing clubs through a Google Form survey during Fall 2024.
 - b. In Spring 2025, ICC leadership will review findings, create recommendations, and present to Full Council.
3. The ICC will promote student engagement in club events more widely.
 - a. Every ICC rep and ICC senator/leader will all speak at 1 class or leave flyers promoting their club(s) meetings, events, and or activities during the academic year.
4. The ICC will facilitate access to campus resources and involvement opportunities for students and increase advocacy efforts in doing so.
 - a. ICC Leadership will host a tabling event or program to promote student clubs at each campus at least 1 time during the academic year.
